KNOWLEDJ

Forget everything you know about DJ'ing. KnowleDJ (pronounced Knowledge) Doesn't just wow crowds, he electrifies them.

It doesn't matter if it's 5 or 5000. He redefines the DJ experience that's made him world renowned as the go to guy for stadium shaking tour energy.

And from top clubs in Vegas, Barcelona, Lisbon, NYC, and Costa Rica to international stages at DxB in Dubai, thousands pack festivals and dance floors to experience KnowleDJ's genre-bending sets and next-level energy. Whether it's a sold-out arena or a late-night rooftop, one thing's guaranteed: he elevates crowds like no other DJ on the planet.

His Mashes for the Masses mixtape series continues to be a fan-favorite ritual, racking up nearly a million plays from Canada to Japan. Meanwhile, his original music — including his explosive collab with Fatman Scoop for the Vegas Golden Knights are quickly gaining him recognition as a highly talented lyricist, producer, and more.

As a proud flag bearer of the #realDJs movement, KnowleDJ combines turntable mastery with stage domination, giving fans and artists alike something rare: a DJ who knows how to actually perform.
So get hyped. Get loud.
This isn't a set — it's a full-on sonic uprising.
